

We Do Cows !

New Mexico Buckskin Horse Assn

New Mexico Buckskin Horse Association is the only ABRA charter that offers cattle classes, and these classes are wildly popular. We do all the ranch-style classes on Saturdays, and hold the “regular” horse show classes on Sundays during our regular show season. In January, February and March we sponsor one day all-breed training shows – we call them “Shaggy Shows”; and in October we have an All-Breed

Dolly Wallace & Zan Tivio

NMBHA was chartered in 1972 with another buckskin organization, and a few years later chose to affiliate with ABRA. We change our class offerings every year to keep up with horse-showing trends, to attract more youth by giving a 4-H discount, and holding walk-trot classes for beginners and green horses.

We believe the diversity of classes offered and awards given contribute to our organization being one of the few show venues in New Mexico staying so successful for the last 45 years. We do wish we could attract more youth, but lately they seem more interested in going rodeo.

All categories of our Buckskin classes are offered to All-Breed exhibitors as well, and these folks really help support our club. All of our awards, daily or year-end, are the same for Buckskins and All-Breeds (and this year Buckskin-Bred, too!).

We have a great group of Amateurs, who hold a huge yard sale each fall to help fund the awards program. There is also an Awards Banquet yearly so we can recognize all our wonderful exhibitors and their horses, catered brunch and lots of fun.

Our website is www.nmbha.com.

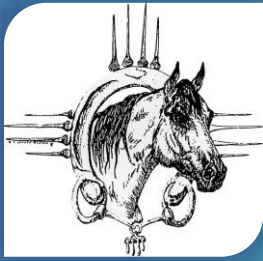

And, we are very friendly – come find out!

Youth Cook Out
