

ABRA Points Keeper

Checking Your Horse's Points

You may check your horse's A.B.R.A. points by sending the Points Keeper an email at SharonP107@aol.com

Be sure to include the HORSE'S NAME AND REGISTRATION NUMBER in the SUBJECT LINE otherwise the email may not be opened.

It is also helpful if you specify your request in the body of the email as to whether you want to know the Lifetime points, Calendar Year points, or certain show results points earned.

If checking your horse's points during the show season, remember that the A.B.R.A. Charter clubs have 30 days to submit their results after the show, and then the show results are posted in order of show dates. So, bear in mind that your results may not have yet been posted when you contact the points keeper.
